

FlowJo Portal

Our user-based licensing system for FlowJo™ Software subscriptions

Leave the dongle behind and step into the future with FlowJo Portal. With a FlowJo Portal license, you'll enjoy seamless access to FlowJo™ Software versions 10.5 and above - including the latest version 11 - along with centralized license management tools. It's never been easier to stay up to date and in control. Make the switch today and experience the freedom of FlowJo Portal.

Why say goodbye to your dongle

FlowJo Portal let you access the leading flow cytometry analysis software with a flexible user-based account for authorization on multiple computers.

- Avoid waiting on your lab mates for the dongle or shared computer
- Authorize up to four computers with an internet connection, one at a time
- Automatically access new versions
- Receive group discounts and admin functions for 5+ users
- Be safe and secure - prevent your dongle from being lost or stolen
- Enjoy 24-hour offline access, making travel hassle-free
- Access to FlowJo™ Software v10.5 and above using one account

Trade in your dongle

Now accepting dongle trade-ins, so you can bring the flexibility of a FlowJo Portal license to your lab. Variable discounts based on your dongle's age. Contact us to learn more.

Don't miss out on FlowJo™ Software v11

FlowJo™ Software v11 has been designed to enhance the user experience with faster performance and a more immersive interface. Your dongle won't grant access to FlowJo™ Software v11, so upgrade to FlowJo Portal and enjoy the latest features! To learn more about FlowJo™ Software, check out all the resources at flowjo.com.
